Certifications	

The AURA-6900 is a high performance but economic model featuring excellent reliability and easy operation. With printing speed up to 200 mm / sec, easy paper replacement and less paper jams, it can satisfy crowded check-out line and promotional activities in the peak hours. Additionally, the AURA-6900 features flexible deployment in the wall-mount design for better space arrangement.

The AURA-6900 showcases high reliability and easy operation for busy applications.
